

Invitation

Senior Researcher Gunner Christian Larsen's 40 years anniversary on 1st of September 2020 is now to be celebrated.

In that connection, DTU Wind and Energy Systems invites colleagues and business collaboration partners to his lecture on Wednesday 25th of May at 14.00-14.45 with the title "40 years in the service of science" in Niels Bohr auditorium, at DTU Risø Campus, Building 112. The lecture is followed by a reception.

We kindly ask external participants to sign up for the event at casc@dtu.dk

Best regards,
Peter Hauge Madsen
Head of department
